

Barley's Smokehouse & Brewpub
SPECIAL EVENT SERVICES

Thank you for considering Barley's Smokehouse & Brewpub for your Special Event. We are excited and delighted to make your visit here special. Whether it's family and friends or a business gathering, Barley's Smokehouse & Brewpub will satisfy your taste buds and your budget.

We're finicky about everything that goes into Barley's selections.

Our award-winning barbecue is slowly smoked using 100% hickory logs, as long as twenty four hours. Our ribs were judged best in Ohio in 2004, and our wings have been voted best in the city three times.

We brew our ales just ten barrels at a time, and include barley malt imported from the British Isles and hops from the Pacific Northwest, Europe and from around the globe. Alexander's Russian Imperial Stout has two blue ribbons in national competition, and we've also won numerous other awards, including best strong ale in America.

We'll take the best we have to offer to make your event a success. Please take time to review the many options that our menus provide. If you don't see something you'd like, just ask.

Heck, we can even deliver a hickory-smoked whole hog with all the trimmings to your location!

We offer the best and most unique selections in the region for you and your guests. And the best part: we do the work, while you take the credit! Thank you for your consideration. We look forward to planning, serving and making your next event a success.

HICKORY-SMOKED WHOLE HOG (FEEDS 100)

Absolutely the finest quality Ohio-raised hog is hand-selected by our farmer, who insists on raising his hogs with grain that is free of pesticides and growth hormones.

Our farmer regularly picks up our spent grain from our brewing operations to use as feed for his livestock, due to its high natural source of protein. Using our natural ingredients without waste is a fine example of the circle of life. Grain that we import from the British Isles ends up as a treat for Ohio livestock.

(We keep the beer that's made in between!)

Uniquely, we skin the hog and dry-rub the hog with seasonings and spices before smoking with hickory logs for up to 24 hours. The result is deep penetration of hickory flavor, while at the same time rendering out the fat.

We promise, the result is the finest smoked pork you've ever had.

Order our Whole Hog and you'll know you're living High Off the Hog.

Paired with Barley's award-winning hand-crafted ales, you're livin' large, my friend. You're livin' large.
